FCDCC
Fort Collins Digital Camera Club

The Fort Collins Digital Camera Club (FCDCC) is dedicated to digital photography and computer processing work-flow. Our goal is to enhance the ability of our members to enjoy digital photography and the digital darkroom.

FCDCC membership is open to people at all levels of digital photography, and covers all levels of equipment - from point-and-shoot to digital SLR cameras and lenses as well as post-processing techniques, marketing and printing.

Membership: If you are interested in joining FCDCC or would like additional information:
>**Web:** www.FCDCC.com
>**E-mail:** info@fcdcc.com

Meetings: held the 2nd Tuesday of each month at 6:30 p.m., at Ridgeview Classical School; visit the web site for up-to-date location and topics.

Outings:
> - *scheduled monthly outings:* usually held the Saturday following monthly meetings
> - see the reverse side of this flyer for a list of monthly outings for 2012
> - *informal outings:* one morning the week following monthly meetings members gather for coffee and a local photo shoot; details are determined at the monthly meetings
