

FCDCC AGREEMENT

I, _____ (Print Full Name), agree to contribute my full-resolution photographic images to Kevin Cook's Nonprofit Educational Library Programs, Lectures, Classes and Website to illustrate his presentations, when no admittance fee or ticket price is charged at the door.

I understand that this is a non-exclusive, multi-use permission for which I will receive credit with each usage. Photos I submit for Kevin Cook's nonprofit educational use will not contain any Watermarks. Rather they will be credited with each use, as indicated below:

___ I want to retain copyright privileges and credit will take the form of my copyright written as entered in the copyright field of each photo's metadata that I submit.

___ Photos I upload to Kevin Cook's website for his use I release into the public domain; I do not wish to retain copyright and will be credited with the phrase: "Photo Courtesy of My Full Name", above.

I retain the exclusive right to size, crop or tone any photos I submit. I will upload full-resolution, final edit .jpg(s). If Kevin Cook selects my photo for use and requires a different crop or edit, he will phone or email me at:

_____,

requesting me to make the change, with adequate time prior to publication.

This permission extends to all non-sale publications, pamphlets and brochures.

In the event that my photos are used for future nonprofit retail sales, such as greeting cards for Friends of the Library fund-raising:

___ Consider my photos my contribution to the nonprofit fundraising event.

___ I wish to be reimbursed 10% of the retail sales price for my images sold. Use of photos for any other for-profit sales will be negotiated with the photographer.

This concludes our agreement in its entirety. It may be changed in the future upon written agreement by both parties.
