Natural Resources Building: From parking lot 350 or Amy Van Dyken Way take the sidewalk on the south side of the Forestry Building and follow to the Natural Resources Building. The appropriate door is on the northeast corner of the building, it is under a pedestrian bridge. Upon entering the building, the stairway and elevator will be on your right. There will be signs directing you to the photo-shoot location which is on the third floor. Also, a loading dock is available for use by our club.

Photoshoot subjects: There will be flowers and other objects to photograph along with backdrops of various colors. In room 301 there will be fluorescence mineral specimens to photograph. Attendees, please bring items that are appropriate for macro photography. This will help make this photoshoot more interesting. Thank you!

Assistance: On the day of the outing, if you need help locating the photoshoot or assistance in bring materials to the photoshoot please call either Paul Marcoux (970-443-7610) or Professor Jerry Magloughlin (office 970-491-1812, mobile 970-290-6630).

Thanks to Professor Jerry Magloughlin and CSU for support our club's Macro SIG outing.

I look forward to seeing you on March 8th.
