DENVER BOTANIC GARDENS FIELD TRIP JUNE 5, 2025

Please join us for a fun relaxing morning at the Denver Botanic Gardens. We'll spend the morning photographing the beautiful blooms and enjoying the fragrant smells and each other's company. We'll plan to arrive when the Gardens open at 09:00 and stay until about 13:00. I suggest arriving up to 30 minutes early to find parking. An option afterwards will be to have lunch as a group at a nearby restaurant before heading home. This outing is suitable for beginner to advanced photographers and will not be strenuous.

You will need to purchase your ticket online prior to arriving - click [HERE](#) to go to their website for tickets and other info. Tickets are available in timed entry blocks so be sure to select the 09:00 entry ticket!

Camera Gear - tripods are allowed but please be mindful of other visitors and avoid blocking paths. I don't recommend a large camera bag, again to avoid hindering other visitors. I will have a full frame camera, 100 F2.8 macro and a 70-200 to reach flowers that are just out of reach of the 100.

I suggest you use sunscreen and a hat and dress appropriately for the weather. Bring water as water fountains are few. Contact me for any questions and if you will be joining us, please let me know so I can look for you. And send me your email and cell phone in case I need to contact you with a change of plans. 719-588-8748, RickDunnahoo@gmail.com. Looking forward to seeing you in the Gardens!
