# Showcase SIG Proposal

Proposed by Michael Hohol

At each meeting, club members showcase a body of their work

- Can present single or multiple types of genre, styles, or subjects
- Present at least 10 images by Zoom
- Can show images that you feel proud of and/or can inspire other photographers. Doesn't have to be your "best" work
- Can show the progress of your photography
- Images can be from any period of time (even film) and/or from anywhere in the world
- Can discuss how, when, where, why; images were created or post-processed
- Can show creative process (preliminary image, progress of refining the image and composition, final image)
- If you aren't on social media, this is a chance to show your work
- Critiques only permitted by the presenter

Please contact [info@fcdcc.com](mailto:info@fcdcc.com) if you're interested in presenting
